Parent/Legal Guardian Consent and Agreement for Emergencies

As parent/legal guardian, I give consent to have my child receive first aid by facility staff, and, if necessary, be transported to receive emergency care. I understand that I will be responsible for all charges not covered by insurance. In accordance with Missouri State Licensing guidelines, records must be on file indicating the child has completed age-appropriate immunizations or is in the process of completing immunizations before the child may attend the center. I agree to review and update this information whenever a change occurs and at least once a year.
