**TIME:** Both performances will begin at 6:30PM

After arriving at the church parents will bring their child to the Mulligan room (back of church) no earlier than **6:00PM** and no later than **6:15PM**. Parents please make sure your child's teacher knows you have delivered your child before returning to your seat. Classes will perform one at a time, each class will come in down the middle aisle, perform and then return to the Mulligan room where they will wait to join all the classes for the final performance. The first two to three pews on either side of the main aisle will be reserved seating. As each class performs **two** family members for each child will be invited to the reserved seating to watch their child's performance. After the performance they will return to their original seating. **Nobody will be allowed in the reserved seating before the program begins.** Children will be dismissed by class from the altar to their families after the final performance. Children's programs are always such memorable events, however we do ask all of our families to show reverence and respect for our worship space. Children should dress in church attire (**no glitter dresses please**). We are looking forward to a couple of wonderful evenings!
