

Our Lady of the Presentation Early Childhood Center

ECC Families,

Good afternoon. As I look out my window watching the snowflakes fall I have to remind myself this is springtime in Missouri and not to worry it will be in the 70's this coming week! We are making our way through April and in spite of the cold temperatures classes are talking about new life, planting and what makes spring a special time of the year. Don't forget field trip permission slips are due to the front office by Tuesday, April 10. We have closed enrollment for the summer session please see information below for more details. April is a big month of preparation. We are working on summer rosters and calendar, preparing our PreK students for graduation, going on our spring field trip, gathering data for your child's final assessment and finalizing enrollment information and packets for next school year. The rest of the year is going to fly by so make sure to stay informed by reading the weekly update and any information and newsletters your child's teacher sends out as well. Enjoy the rest of the weekend and stay warm!

God Bless,

Catherine M. Koob
Director

Summer Session Enrollment is closed.

ECC Families we have closed the window to notify us of your summer session plans. We are working through the schedule changes and putting together summer rosters. Please keep in mind some of our staff do not work during the summer months so there will be changes to classroom rosters and staff schedules. All teachers sent out a list of the students in their current class who they believe will be attending during the summer based on the summer notification criteria. If your child was on this list and should not have been or was missing and should

have been on the list you need to notify the front office immediately. Once summer rosters have been completed and staffing changes have been submitted we cannot guarantee any requests for changes can be made.

We will be adding a page to the current families website where we will post summer rosters when they are complete as well as the summer activities calendar and any other summer related information. We look to have these items updated by the end of April. All fees related to schedule changes and holding fees will be applied to your May tuition bill.

Get Your Tulips Here

We received a huge donation of tulip bulbs from a grant and would like to offer them to our families. **Please bring a bag** and take a selection of bulbs. We received these in March so we are not sure if planting them now is going to produce Spring flowers but you never know. Most of the varieties require good moisture and lots of sun. We will leave the bulbs out through Wednesday.

Spring Field Trip to Deanna Rose

For our spring field trip we will be heading to Deanna Rose Farmstead. The dates for this field trip will be Tuesday, April 17- Thursday, April 19. Please refer to the schedule and information sheet below. Field trip permission slips went home in your child's mail folder Friday.

PreK Graduation Save the Date!

Our PreK Graduation is right around the corner! Make sure to mark the date on your calendar for this wonderful evening of celebrating your PreK student. The graduation event will take place on Wednesday, May 16 at 7:00 PM at Our Lady of the Presentation Catholic Church. Below you will find a link to information about this event. Our office has ordered the caps and tassels and will verify we have one for every child graduating, however we will not pass them out until the week of the event. We will also be picking a day in the next couple of weeks to take our PreK group picture for our graduation invite. Your child's teacher will be sending out more information in the weeks to come. If you have questions feel free to email or call anytime.

THIRD SUNDAY OF
Easter

APRIL 15, 2018

Thus it is written that
the Christ would suffer
and rise from the dead
on the third day
and that repentance,
for the forgiveness of sins,
would be preached in his name
to all the nations.

Luke 24:46-47
